

THE MERRY WIVES OF WINDSOR

By William Shakespeare

July 18 – August 1, 2020

A riotous country comedy starring Falstaff, one of Shakespeare's most beloved comic characters!

The Vermont Shakespeare Festival, now in its 16th season of professional productions of Shakespeare's plays, presents **The Merry Wives of Windsor**. Performances are held outdoors in beautiful Vermont settings at *Shelburne Farms, Shelburne Museum, and Shelburne Vineyard*, in addition to performances at the *Highland Center for the Arts* in Greensboro, which is inspired by Shakespeare's Globe Theatre in London.

Sponsor Opportunity

Producing professional outdoor theatre takes vision, skill, talent, a design team, interns and volunteers. It also needs **YOU!** Please consider a sponsorship of \$2,500, \$1,200, \$500, or \$250 to help our summer theatre festival have even more impact! In helping underwrite our season, you enable us to build costumes and sets, rent rehearsal space and performance venues, support our paid internship program, rent trucks, platforms, and sound equipment, and pay our wonderful local artists. And then, we bring the magic to the stage...

Our summer season is a ticketed event, attracting an audience across four venues of more than 2,000 people.

See page 2 for Sponsor Benefits.
